Summary of the main activities in relation to these objects	Up to Pantomimes are performed annually, performed at our Local Town Hall in Grangemouth with a minimum of 3 to 5 consecutive performances. Our cast members are all involved throughout the year whether through directly singing/dancing/acting on stage to helping backstage or in the changing rooms. We provide a safe environment when rehearsing twice weekly at our local town hall with all helpers and committee members who deal directly with children aged 9 to 18 full PVG checked and updated annually. We often attend other local groups shows/performances to all our cast members to learn from others.

Achievements and performance

Summary of the main achievements of the charity during the financial period	Our company was originally formed back in 1982 as a not-for-profit community interest group, however from March 2024 we finally became fully SCIO registered. Another one of our biggest production so far – Pinnochio performed to perfection in Nov 2025 generating a fantastic income. The children exceeded our expectations with every performance, and they were the talk of the town due to excellent effects used in the show along with outstanding talent. Our local newspaper also published an article along with many pictures taken on our opening night. A large part of our income has been funded from grants received throughout 2025/2026, some of which included Corra Group, Robertson Trust, Arnold Clark and Community Schools Grant. Fundraising has come from our shows which generated income from raffle and tuck shop sales. We also performed a spring showcase in March 2026 where we invited a singing coach along to help develop the childrens vocals and also increase their confidence. The showcase was displayed to parents and family.

Financial review

Brief statement of the charity's policy on reserves	With a fixed annual expenditure, we have agreed to ensure we always keep sufficient funds in the bank to cover all outgoing costs at any one time. This ensures that if, for any reason, we are unable to proceed with performances that generate income, we will still have adequate reserves to cover our annual expenditure and ongoing commitments.
Details of any deficit	
Donated facilities and services (if any)
