CONSTITUTION The Society is an incorporated association governed by a constitution based on the Music Making model and granted charitable status by OSCR

COMMITTEE This consists of the Trustees , who met 6 times through the season. Membership is open to all season ticket holders. Apart from the 4 Office bearers there are at least 7 other members. Elections are held at the AGM.

OBJECTIVES To provide education and appreciation of live chamber music, and to encourage young students to take an interest in live music-making through workshops given by some of our artists to the local schools. To contribute to other activities in the town.

ACTIVITIES During the season the Society held 6 Concerts 1 piano Quartets, 3 duos, violin, clarinet and cello, and 1 sole pianist. We also had a duo of soprano and viola da gamba which was supported by the Tunnell Trust.

The Chairman and Secretary attended several meetings with CMS on Zoom CMS and 2 meetings of East of Scotland Chamber Music Societies and several Zoom meetings with Sottish Music Societies. The Website was kept up to date with all activities and crits of concerts as were the local Newspapers. The Chairman's Newsletter was emailed to all Members every Month and we now have a Facebook. page.

We organised with help from The Kirkcaldy High School to have a workshop for all Music Pupils and many of the students attended several Concerts.

Mairi Rolland
Chairman
