Governing Document

The scout group is constituted in accordance with the guidelines laid down by the scout association.

Charitable Purpose

The stated aim of the Scout Association is to encourage the physical, mental and spiritual development of young people so that they may take a constructive place in society.

Activities and Achievements

The main activity of the charity during the year was to provide a variety of scouting related activities to the young people (age range 4-18) in and around Kilwinning.

The scout group currently consists of one squirrel dray for 4- to 6-year-olds, three beaver sections for the 6- 8-year-olds, three cub scout packs catering for 8 - 10-year-olds, two scout troops for the 10 – 14-year-olds and an explorer scout section for the 14 -18-year-olds. All sections are run by voluntary leaders who undergo training on an ongoing basis to ensure a high standard of scouting is provided.

During the year the sections within the group participated in a variety of activities. The younger sections held sleepovers in a variety of locations and went on a number of visits.

All sections attended the group camp at Lapwing Lodge in September and attended a pantomime in December.

The scout and explorer scout section held our annual camp at Woodhouse Park activity centre near Bristol. The camp was a great success and the site is one we may return to in the future. Next year's camp will be in the Isle of Man.

Three members of the group gained their Kings Scout Award, the highest award obtainable in the movement.

The explorer scout section continues to work on their D of E awards and continue to make progress in this field.

All sections are running well with minimal waiting lists.
