Objectives and activities

Charitable purposes

The charity's purposes are to benefit the youth of Thurso and surrounding area with the following:

- The advancement of education
- The advancement of health
- The advancement of citizenship or community development, the promotion of civic responsibility and volunteering
- The provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended

Summary of the main activities in relation to these objects

The club provides facilities and activities for the benefit of the young people of Thurso and the surrounding area. The club operates various club sections catering for 5 to 17 year olds.

The building is available for hire when not in use by our club sections. The Youth Club premises are suitable for meetings, training courses, rehearsal space, performances etc.

Annual maintenance is carried out to ensure the fabric of the building is kept in a suitable condition.

Achievements and performance

Summary of the main achievements of the charity during the financial period

The Youth Club continues to have a full and active Board, with good parental representation.

There were some staff changes throughout the year but we continue with a full complement of staff.

The Youth Club offers sessions for children and young people 5 times a week with a membership of almost 150.

A full summer activity programme was very well attended and included weekly sessions, day trips and a residential weekend for High School pupils.

The Outreach programme is still active with Youth Workers making regular contact and building relationships with young people around the Town.

Club Use – we continue to let the building to a variety of community groups and have let one of the offices to another organisation.

Winding up – we have finally received notice that the transfer of the building has been completed and, with guidance from OSCR, we are completing the final stages of the wind up.
