W.A. Cargill Charitable Trust

Report of the Trustees

for the Period 1 December 2024 to 31 December 2025

The trustees present their report with the financial statements of the charity for the period 1 December 2024 to 31 December 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The trustees are empowered to retain the whole or part of the residue of the means and estate of the fund for such time as they may think fit, or permanently, and to apply the whole or such part of the income of said retained portion (to be called "The W.A. Cargill Charitable Trust") for such charitable purposes as the trustees in their absolute discretion may decide.

Payments may be made to or on behalf of any Hospitals, Institutions, Societies or others whose work in the opinion of the trustees is likely to be beneficial to the community. It is not the trustees current policy to give grants to individuals.

The trustees have resolved to retain the capital meantime and to apply only the income for the foregoing charitable purposes.

Report on activities of the trust

The trustees have continued to support a wide range of charitable causes in the year under review, with grants paid totalling £119,000 (2024: £122,500).

Grant awarding policy

The trustees apply the funds of the charity at their discretion and in accordance with the Trust Purposes established under the Trust Deed.

In awarding grants, the trustees will apply the following principles:

The trustees will consider any request from any geographical area.

The trustees will carry out sufficient due diligence to ensure that the request meets the Trust Purposes.

The decisions of the trustees on whether to award a grant is final.

The trustees are not obliged to provide an explanation to applicants in the event that their application is not successful.

Plans for the future

The trustees plan to follow a policy of making grants to those organisations they feel require most support and whose purpose fall within the spectrum of the Trust Deed.

Accounting period

The Trustees elected to change the Trust's accounting reference period to 31 December 2025, under the powers granted to them by the Trust deed.

This accounting period is 13 months long and, as such, the comparative amounts shown in these financial statements are not entirely comparable.

FINANCIAL REVIEW

Financial position

The Unrestricted Income Fund at the beginning of the year amounted to £1,076,324 to which was added receipts of £183,952 and from which was deducted payments of £201,264 including donations of £119,000, leaving a balance of £1,059,012 carried forward.

The Expendable Endowment Fund at the beginning of the year amounted to £5,952,622 from which investment of gains of £1,025,566 were added, leaving a balance of £6,978,188 carried forward.

W.A. Cargill Charitable Trust

Report of the Trustees

for the Period 1 December 2024 to 31 December 2025

FINANCIAL REVIEW

Reserves policy

As the charity has no recurring expenditure on an annual basis the Board of Trustees consider the current level of reserves to be sufficient.

Investment policy

The investment policy, which is reviewed by the trustees from time to time, is aimed at maintaining the real value of the Trust funds over a period of years and thereby providing a reasonable level of income for charitable donations.

As shown in Note 9, the market value of listed investments at 31 December 2025 amounted to £7,052,433.

Risks

The trustees consider variability of investment returns to constitute the charity's major financial risk. This is mitigated by retaining expert investment managers and having a diversified portfolio.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Recruitment and appointment of new Trustees

Serving trustees are appointed as required, taking into account their skills and knowledge.

Organisational structure

The Trust is a registered charity, number SC012076 and is constituted under a Trust Deed dated 23 November 1954. The Trust was registered in the Books of Council and Session on 25 November 1954. The Trust was established by a gift from W.A. Cargill.

Induction and training of new Trustees

Generally trustees are familiar with the work of the charity prior to their appointment. Training is provided as required.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Charity law requires the trustees to prepare financial statements for each financial year. Under that law, the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).

Under charity law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and The Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 30 July 2026 and signed on its behalf by:

.....
J R McCulloch - Trustee

Report of the Independent Auditors to the Trustees of
W.A. Cargill Charitable Trust

Opinion

We have audited the financial statements of W.A. Cargill Charitable Trust (the 'charity') for the period ended 31 December 2025 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2025 and of its incoming resources and application of resources, for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 and Regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 13 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Accounts (Scotland) Regulations 2006 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Report of the Independent Auditors to the Trustees of
W.A. Cargill Charitable Trust

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following:

- the nature of the charity and its control environment;
- results of our enquiries of the Trustees about their own identification and assessment of the risks and irregularities;
- any matters we identified having reviewed the charity's internal controls established to mitigate risks of fraud or non-compliance with laws and regulations;
- the matters discussed among the audit engagement team regarding how and where fraud might occur in the financial statements and any potential indicators of fraud.

We obtained an understanding of the legal and regulatory framework that the charity operates in. The key laws and regulations we considered included the Charity SORP and the Scottish Charities regulations. We assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items. Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the trustees, inspection of regulatory and legal correspondence, if any, and review of minutes of meetings. These limited procedures did not identify actual or suspected non-compliance.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Report of the Independent Auditors to the Trustees of
W.A. Cargill Charitable Trust

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities and Trustee Investment (Scotland) Act 2005. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

All income is recognised in the Statement of Financial Activities (SoFA) once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Allocation and apportionment of costs

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to statutory audit and legal fees.

Taxation

The charity is exempt from tax on its charitable activities.

Investments

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in 'net gains / (losses) on investments' in the SoFA if the shares are publically traded or their fair value can otherwise be measured reliably.

Current asset investments are short term highly liquid investments and are held at fair value. These include cash on deposit and cash equivalents with a maturity of less than one year.

2. INVESTMENT INCOME

	Period 1.12.24 to 31.12.25 £	Year Ended 30.11.24 £
