Trustees' Annual Report - Year ended 31st December 2025

The Trustees present the annual report and accounts for West Kilbride Parish Church of Scotland for the year ended 31st December 2025. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the General Assembly Regulations for Congregational Finance, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

Objectives and Activities

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in polity. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national Church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

Our Sunday morning service continues at 10.30am with a mixture of traditional and more contemporary worship. We also have meetings on a Sunday Evening. This has included Evening Services, the Alpha Course and the Bible Course. We continue to livestream our services each week, with around 100 watching online

On 31st December 2024, the roll of WKPC was attested as 328 members, a decrease of 1 over the previous year.

Communion services are publicised widely and held six times a year.

During the Sunday morning service, we continue to have a Sunday School (Adventure Kids) which is available for families with children of Primary School Age. A crèche facility is available if needed for the very young.

Messy Church runs once a month with a good number of families engaged. Individuals responsible for working with children or adults at risk are appointed by the Kirk Session only after having completed the full recruitment procedure of the Church of Scotland (including membership of the Protection of Vulnerable Groups (PVG) Scheme). A Safeguarding Co-ordinator and a Safeguarding Panel have been appointed to support the Kirk Session in discharging its responsibilities in relation to the protection of children and adults at risk.

Many organisations use the Church premises for both Church and non-Church related activities, including the Boy's Brigade Company, the various sections of the Girl Guides, dancing, the Village Band and Community Choir. More recently a judo class and a class to educate people to fall correctly have started in our halls. To facilitate disabled access to Church premises ramps have been installed to the Church Office and Halls and a lift has been installed for access to the Main (Bill Penny) Hall. Church premises also include a disabled toilet.

The Church holds a weekly "Wednesday Fellowship" at 7.00pm. This is a hybrid meeting (in-person and online), though it is online only during the winter months. There is also a prayer meeting on a Tuesday morning. Our small groups (Life groups) have also continued throughout this period – with most meeting in person and one continuing on Zoom.

The Church continues to hold a weekly Coffee Morning (Church Cafe) on a Tuesday morning which is open to the community, and we run a 'Warm Hub' in the autumn / winter months which turns into 'The Hub' in the spring / summer months. The Warm Hub is open on a Friday afternoon and is for anyone in the community to come and to enjoy friendship and refreshments in a warm space whilst allowing them to save money by not using their home heating and this has been well appreciated.

Registered Scottish Charity SC013464

The Church is a member of Scotland's Churches Trust and is open to the public through the week, during the normal Church Office opening hours of 10.00am to 12.00 noon, four mornings a week.

West Kilbride Parish Church posts information on Facebook, Instagram and X (formerly Twitter) and hosts a website at wkpc.church. The website contains information about the church, including what is on each week and links to our sermon podcast hosted on Podbean and available to listen to on YouTube. We also stream our Sunday morning worship service live on our website each week (as well as on YouTube) which has been well appreciated by those who are not able to attend worship. Funerals held in the church are also able to be streamed which is appreciated by those who have been bereaved.

Achievements and Performance

The church was established on the 14th January 2010, when two churches in West Kilbride (West Kilbride St Andrew's and Overton Church) were united.

Following a refurbishment completed in March 2014, we now have a building that is flexible for worship and outreach and suitable for the 21st century and which allows us to do things that we were unable to do previously.

The heating in the Bill Penny Hall was replaced in February 2023 – and the Kirk Session is actively considering ways of improving the hall facilities we have.

We were delighted to be able to raise funds locally and install a new and improved kitchen facility expanding the original kitchen next to the Lower Hall. This has allowed us to run Messy Church and the Warm Hub in a more effective way.

Reverend James McNay was inducted to the joint congregation of West Kilbride Parish Church of Scotland on the 14th of January 2010 and remains the Minister at the year end.

The Kirk Session sets the policy and strategy of the church. In order to facilitate this strategy, a number of teams are in place. These have recently been reviewed. We have 6 teams – Fabric, Finance, Mission and Discipleship, Pastoral Care, Worship and Youth. We also have co-ordinators responsible for catering and for administration. The Kirk Session believes that appropriately skilled or qualified people have been appointed to team leadership and office bearing responsibility and thereby can provide effective management of the affairs of the charity. A regular bi-monthly team leaders meeting has been established prior to a bi-monthly Kirk Session meeting at which decisions regarding policy or strategy of the Church are made.

An Elder's Conference to discuss the vision of the church and to pray together is also held annually in January. In 2025, we held this in West Kilbride Parish Church with lunch in Fairlie.

This year, we had a guest speaker who spoke about a pioneer project. This was helpful as we continue putting together a vision looking towards 2030 to try to help us think through an ageing membership and leadership.

Around 100-134 people are in attendance at our Sunday morning service.

Our regular Sunday worship pattern over this period has been:

- 10.30am: Morning Worship with Adventure Kids.
- 6pm or 7pm - Evening Service / Alpha / The Bible Course

Messy Church began around 2014, and we have been encouraged by the families who have come along throughout 2025 including many new contacts.

We have continued our emphasis on prayer within the church. The Wednesday Fellowship is our weekly prayer meeting. This is a hybrid meeting for anyone to join in-person or online. There is also a Tuesday morning prayer meeting in the church. We also have an Elder's Prayer Meeting online via Zoom once a month on a Saturday morning.

There are 6 small groups (lifegroups) meeting fortnightly for Bible Study, prayer and fellowship. Most of these are 'in-person' but one is exclusively via Zoom.

Youth work has been challenging post-pandemic. We have 'Adventure Kids' on a Sunday morning with a regular, if small, core of children attending. We have been delighted that this core has slowly increased with often there being double figures of children attending Sunday worship. We have started a Toddler Group weekly on a Thursday morning called 'Seedlings' and this has been very popular and well appreciated. At Seedlings there are songs and a Bible Story as well as play and a snack. A Men's Breakfast has been started to encourage the men fortnightly on a Wednesday morning. Those who have been part of this have really appreciated it.

We continue to be a collecting point for the local Foodbank and regular donations are made especially around Christmas using our 'Reverse Advent Calendar' where we encourage people to put in donations of food for the Foodbank and Village Larder each day of Advent. We are also an emergency food collection point for the Foodbank. Retiring collections have been made at other times for the work of other charities.

The Warm Hub has been well-received within the church and community as we attempt to address the cost of living crisis in our community and help those in need.

We also run a Tuesday morning coffee morning called 'Church Cafe' which is well appreciated by those who go along.

We also reach out to our community by holding a 'Bereavement Support Group' which runs for 6 weeks before culminating with a Blue Christmas service for those who find Christmas a difficult time due to bereavement and grief.

The Church continues to support various missionary organisations that we have links with and to pray for them. We have had speakers from Scripture Union, Street Pastors, Blythwood Care and Asialink in the past year.

We have held outreach events this year in the church – a Light Party, participated very successfully in the Yuletide Night in the village by putting together an 'Augmented Reality Nativity Trail' along with family games. We also held a Hogmanay Ceilidh once more.

We were delighted to welcome 7 new members into the church by profession, resolution and transfer but sadly, mainly due to the death of some faithful members, our overall membership decreased by one during the past 12 months.

We didn't focus on Stewardship this year as we focused on raising funds for the new kitchen which we did successfully. Going forward, we will hold a Stewardship Sunday in January

This has been an encouraging year in the church. Though we face the same challenges of a number of Church of Scotland congregations in terms of an older membership, we continue to try to look outwards into the community and prayerfully try to share the love of Jesus.

Financial Review

The main source of income is through offerings. The total income for 2025 was £202,145.

During this year we were able to install a new and improved kitchen facility at a cost of £57,254. This was financed largely by pledges made by members of the congregation and the resulting additional Gift aid earned on these pledges and was augmented by a grant of £7,553 from the listed places of worship scheme. Pledges received for this activity during 2025 total £ 38,614 and the resulting Gift aid amounted to £7,710. The total income attributed to these activities was £53,877. As this is not regular income it has been included in the accounts as other income so that a clear comparison can be made with regular activities.

The regular income amounted to £148,268. Offerings increased by £5,599 compared to 2024. Gift Aid of £21,537 continued to be a significant contribution to our income which was overall £256 lower than 2024. A significant legacy of £10,000 had been received during 2024.

Donations increased by £404. Income to the General Fund from Hall lets, Weddings, Funerals Etc. increased by £1,667 compared to 2024.

The revaluation of Funds held with The Church of Scotland Investors Trust Growth Fund, resulted in an unrealised gain of £3,799. Deposit interest and Dividends received totaled £3,639.

Expenditure in 2025 increased significantly by £12,459 when compared to 2024 due to increases in a number of areas, local mission, salaries and presbytery dues, the latter having been unpaid in 2023. Utility costs were lower by £1,247 than in 2024.

The Trustees continue to subscribe to the policy of the UK Living Wage Foundation to set a baseline for Church Salaries.

The total funds held by the Congregation decreased by £3,856 to £442,196 of which £275,000 is a Fixed Asset.

Investment Policy and Performance

Not relevant for WKPC

Risk Management

The trustees have risk assessments for fire, health and safety and food hygiene and have formulated relevant policies for these. The main risk to our congregation is the age of our members and the knock-on effect to our congregational income. The trustees are mindful of this risk and are presently looking at ways to increase our membership and increase income levels by developing the stewardship cycle.

Reserves Policy

It is the Trustees' policy to hold reserves of approximately six months expenditure including designated funds. At the year end the Church held unrestricted funds of £71,424 which represents just over 6 months general expenditure. The Church also held £86,824 of restricted funds, which have been specified in note 15.

Structure, Governance and Management

The congregation is a registered charity, number SC013464.

Governing Document

For the period of these accounts the Church was administered in accordance with the terms of the Unitary Constitution of the Church of Scotland

Recruitment and Appointment of Trustees

The members of the Kirk Session, alone, are the charity trustees.

The Kirk Session members are the elders of the church and are chosen from those members of the church who are considered to have the appropriate gifts and skills for the effective management of the charity. The minister, who is a member of the Kirk Session, is elected by the congregation and inducted by Presbytery. During a period of vacancy, the Interim Moderator assumes membership of the Kirk Session.

Organisational Structure

The Kirk Session is chaired by the minister and currently has a regular meeting six times a year and is responsible for spiritual and temporal affairs within the church. The Kirk Session may also meet at other times when a meeting is properly called and constituted.

The Church of Scotland Unitary Constitution allows for the development of team working within the governance of the Kirk Session acting as charity trustees. Accordingly, some responsibilities are delegated to these teams who meet periodically according to need, and report to meetings of the Kirk Session.

Trustees' Responsibilities in Relation to the Financial Statements

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the charity trustees to prepare financial statements for each year which show a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently.
- observe the method and principles in the applicable Charities SORP.
- make judgements and estimates that are reasonable and prudent.
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information on the congregation's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

West Kilbride Parish Church of Scotland
Independent Examiner's Report to the Trustees of West Kilbride Parish Church
Year ended 31 December 2025

I report on the accounts of the charity for the year ended 31 December 2025 which are set out on pages 10 to 21.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention [other than disclosed below*]

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations (as amended), and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations (as amended) have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Accounting Policies

The principal accounting policies, which have been applied consistently in the current and preceding year in dealing with items, which are considered material to the accounts, are set out below.

The charity has adopted the requirements of the Statement of Recommended Practice: Accounting and Reporting by Charities (issued February 2005).

Basis of preparation

The accounts have been prepared in accordance with applicable accounting standards and under the historical cost convention, modified to reflect the inclusion of investments at market value, and in accordance with the Charities and Trustee Investment (Scotland) Act 2005, The Charities Accounts (Scotland) Regulations 2006 (as amended), the Regulations anent Congregational Finance approved by the General Assembly of the Church of Scotland in 2007 and the Statement of Recommended Practice: Accounting and Reporting by Charities (2005).

Fund accounting

Funds are classified as either restricted funds or unrestricted funds, defined as follows.

Restricted funds are funds subject to specific requirements as to their use, which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the charity.

Endowment funds are funds, which have been given on the condition that the original capital sum is not reduced, but the income there from is used for the purpose defined in accordance with the objects of the charity.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

Incoming resources

All donations and gifts are included within incoming resources under either unrestricted or restricted funds according to the terms under which the donation is made and when the amount can be quantified with reasonable certainty. Donations and gifts in kind are brought into the accounts at their market value to the charity.

Resources expended

Expenditure is recognised on an accruals basis as the liability is incurred.

Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

Notes forming part of the financial statements
for the year ended 31 December 2025

Accounting Policies (continued)

Tangible fixed assets

The charity has the right to occupy and use for its charitable objects certain tangible fixed assets, including the Church and halls, vested in the Church of Scotland General Trustees. No consideration is payable for the use of these assets. Expenditure incurred on the repair and maintenance of these assets is charged as resources expended in the statement of financial activities in the period in which the liability arises.

All tangible fixed assets costing in excess of £1,000 having a value to the charity greater than one year, other than those acquired for specific purposes, are capitalised. Depreciation is provided on a straight-line basis to write off the cost or initial value, less residual value, of tangible fixed assets over their estimated useful lives:

Buildings	100 years
Motor vehicles	5 years

Investments

Fixed asset investments are stated at market value at the balance sheet date. Unrealised gains and losses represent the difference between the market value at the beginning and end of the financial year or, if purchased in the year, the difference between cost and market value at the end of the year. Realised gains and losses represent the difference between the proceeds on disposal and the market value at the start of the year or cost if purchased in the year.

Taxation

West Kilbride Parish Church of Scotland is recognised as a charity for the purposes of applicable taxation legislation and is therefore not subject to taxation on its charitable activities. The charity is not registered for VAT and resources expended therefore include irrecoverable input VAT.

Support costs have not been separately identified as the trustees consider that there is only one charitable activity. Therefore support costs relate wholly to that activity and have not been separately identified.

14 Volunteers

In common with all congregations of the Church of Scotland the congregation benefits from the contribution made by volunteers who give their time and talents willingly for the benefit of the Church. The areas of congregational life which rely on the contribution of volunteers are many and varied and much of the activity would be unable to continue were it not for the commitment shown.

17 Congregational Organisations

Whilst under the law of the Church, the trustees have certain supervisory responsibilities with regard to organisations affiliated to the congregation, the funds ingathered by these organisations are primarily for the purposes of the organisations and not congregational purposes and are disposable at the behest of their members who may or may not be Church of Scotland members.

The trustees do not consider their responsibilities extend to control or trusteeship, which rests with organisational office bearers.

It is therefore not the policy of the trustees to consolidate the accounts of any congregational organisation with those of the congregation.

It is however the policy of the trustees in the interests of accountability and to permit an assessment of the significance or otherwise of the organisational accounts to publish an abstract of the accounts of congregational organisations after examination by the congregational treasurer as note 17 to the accounts.

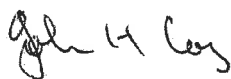

The trustees also confirm that none of the organisations under the jurisdiction of the Kirk Session use the Church Charity number or reclaim any tax under gift aid. As the only remaining organisation which was the Guild ceased activity at the end of 2020 there is nothing to report in this note.
