Objectives and activities

WrestleKind was established to bring joy to disadvantaged groups through professional wrestling events. It was formed in 2020 following a successful partnership between Get-Well Gamers (SC046494), which was set up and chaired by current WrestleKind chair [REDACTED] and professional wrestling groups in Glasgow, which included [REDACTED]

- We work with disadvantaged people of all ages to provide memorable experiences involving professional wrestling or professional wrestling events
- This includes, but is not limited to: our beneficiaries attending wrestling events for free and meeting the performers and hospital visits to children's wards

Due to a number of factors, including the restriction on the professional wrestling industry from operating in light of the COVID pandemic, WrestleKind was dormant until the winter of 2022. The charity has carried out some engagements in 2023 and 2024, and this will increase in 2025.
